Electric Vehicle Council of Ottawa (EVCO) announces

Fundamentals of Electric Vehicles Course

Fall 2010

Ottawa, ON, August 15, 2010: The Electric Vehicle Council of Ottawa announces its annual Fundamentals of Electric Vehicles course. The course will begin on Thursday, September 30 and run for 10 consecutive Thursdays, between 7:00pm and 10:00 pm at the Museum of Science and Technology Conference Hall, 1867 St- Laurent Blvd in Ottawa.

This is Ottawa's only and best opportunity to learn in-depth details on Hybrids, Conversions and Commercially Available electric powered vehicles.

Course fees are \$250.00

EVCO is a non-profit, incorporated organization dedicated to promoting the use of electric vehicles in applications where they are appropriate.

Warm regards

John Deland
